SABBATH SCHOOL PROMOTIONS

NEW SABBATH SCHOOL

The We Believe Sabbath School class will be starting its yearly cycle again the first Sabbath in July. We need to know how many people are planning to attend so we know how many We Believe books to order for the class members. Please sign up for the class on the list in the foyer. The class focuses on church history, the 28 Fundamental Beliefs (in depth), biblical prophecy, Adventist lifestyle issues, and other things that deepen our faith in God's leading in the Seventh-day Adventist movement. We want to enrich your faith in God's word and His leading in our lives. Thank you for supporting this Sabbath School class.

SABBATH SCHOOL CHANGES

Next Sabbath, July 5, the Sabbath School class that meets in the Fellowship Hall will be moving to the OAKS Library on the Chapel Hallway. "The Shepherd's Flock" is the name they have chosen for their class. They will continue with their format of singing, praying, and studying the lesson. Pastor Andy's Inductive Bible Study Class will be moving into the Fellowship Hall under the name "Meet @

the Text". Check out these or one of the other classes we have and become a part of a study and fellowship group.

SUMMER CAMPS

WELLkids and RAD Camps – June 30-July 3, July 7-11, 14-18.

Keep your kids moving and exploring this summer with WELLkids in the Wild and RAD Camp at Southern Adventist University. snorkeling, and more. RAD focus for ages 13-16 includes canoeing, caving, high adventure course and zipline, rappelling, and whitewater rafting. For fees and other information or to register, visit southern.edu/wellkids.

Do you live in our service area with students in grades K-12? Unsure how to get what they need for school?

Parents should not be forced to choose between food, clothing, or school supplies. Children should not worry about missing out because they lack the proper tools.

For families in our community already struggling with rent and basic needs, the staggering cost of school supplies can be too much.

At the **Samaritan Center**, we believe in helping children start the school year off right. That's why we created the **Stock Their Lockers** program. We recognize that having the right equipment directly impacts our kids' success.

If you need help providing for your student, **give us a call**. One of our case managers will set up a time to meet and discuss your needs to see how we can help.
