NEW SABBATH SCHOOL CLASS

July 1

Today a new Sabbath School class is starting,

with a special emphasis for new believers and those who want to have a deeper understanding of and appreciation for Adventist beliefs and lifestyle practices. We will be studying the history of how Adventism came into existence through divine purpose, the principles for biblical interpretation that help to define us, the biblical basis for Adventist beliefs and practices, our understanding of biblical prophecy and end-time events, and biblical answers to questions that members raise. The class has limited space, since it will be meeting in the mothers' room, and it is almost full already based on those who signed up last Sabbath. However, if you are a new member, we want to make room for you. If there is still space, we are open to anyone who feels the need to join the class. Edwin Reynolds and Donna Caswell will be teaching the class. Come and see if there is still space for you.
