### HIS ORCHESTRA

Is in need of a 7 X 14 Utility storage and travel trailer with dual axles, a side door and a rear ramp door. This trailer needs to house music stands, timpani drums, a bass drum, orchestra Chimes and other percussion equipment.

We have no storage room left in the church without stuffing the halls, so this trailer will allow for storage and also allow the transportation of equipment to other surrounding churches as our Orchestra shares music with sister churches including both Sabbath morning and Sunday morning appointments.

This is a great evangelistic tool which we need

to equip with this travel and storage trailer. We are hoping for a trailer owner who would be willing to donate their trailer to the church or a patron who would be willing to purchase the described trailer for the Orchestra. Thank you for your support of our Ooltewah SDA Church Music Ministry which we are now attempting to reach out and share with our community. Please contact Larry Otto by text or voice mail if you are interested in helping us meet this need. Larry Otto - 423-779-4457 (Voice or text messages).
