CORNERSTONE
BUILDING PROJECT

When it comes to big church projects many of us feel inadequate. We cannot contribute substantial sums of money, or offer our professional expertise as architects, or craftsmen. Eventually we step aside and simply expect others to become "heroes". This is not the way God's Kingdom works. His Kingdom is like a mustard seed. It is like a boy who brought his small lunch to Jesus. In the hands of Jesus it turned into a mountain of food sufficient for the thousands of people.

Don't get discouraged if you do not have much. Bring to Jesus your mustard seed. In the hands of Jesus it will grow into a mighty tree of His blessings. This is how our Cornerstone Building fund works.

Every penny you bring will grow into a beautiful sanctuary where "birds come and perch in its branches." There are many dear souls in our community who will find their home in the ministry of the Ooltewah Adventist church. Thank you for your support of this important task.

ABOUT US

Ooltewah Adventist Church is a church full of families and connection. We were founded over 50 years ago and many of those families are still present. We invest into our church community because it is not only a place where we worship weekly but it is a place for our kids to grow up in Christ. Our commitment to our kids is seen in our church classrooms as well as our K through 8th grade school!

We have been growing as a church family since our founding and we look forward to continuing to grow our church family! Jesus created us to live in community with other believers to love and support one another through service and prayer. And we want to fulfill that need for community and connection in your lives!
